RULES OF

CodeCast

Online Coding Contest

1 Contest is going to be held on Hackerrank.

2 Register it through Ekarithin website event section.

3 The contest is open to anyone with a knack for programming.

4 All problems will include some recommended sample data, but additional test data will be used during judging.

5 You may be disqualified from the Contest if found any of the following:-

(i) Creating multiple accounts,

(ii) Submitting content in an entry that is not original (e.g., is copied from another student's or internet),

(iii) Any inappropriate activity to the Contest, or violates any applicable law.
